

LOAN PURCHASE PROGRAMS ELECTRONIC ANNOUNCEMENT #26

Date: September 9, 2008

To: FFEL Program Community

From: Larry Warder, Acting Chief Operating Officer
Federal Student Aid

Subject: MLSA Bill of Sale Submission Instructions

In an Electronic Announcement posted on July 25, 2008 (Electronic Announcement #8) we issued a revised version of the Master Loan Sale Agreement (“the MLSA”) under the Department’s Loan Purchase Commitment Program. Since then, we have made revisions to the Bill of Sale (Exhibit B) and to the Security Release Certification (Exhibit E) and have created a Notice of Assignment and Designation of Payee. The revisions to Exhibits B and E and the new payee assignment form were made in response to suggestions made by members of the FFEL community to provide clarity and simplification to the Loan Purchase Commitment Program. These forms are included below, as attachments to this announcement.

Revised Bill of Sale: We have created two separate formats for Bills of Sale (Exhibit B of the MLSA) that must be executed under the MLSA. One is to be used by lenders/sponsors and custodians for loans in which the Department holds a Participation Interest under the Loan Participation Purchase Program. The other will be used for loans that will be sold directly by the lender to the Department.

Revised Security Release Certification: The revised Security Release Certification (Exhibit E of the MLSA) provides clarity by specifically naming both the selling lender (the Seller) and the (Secured Lender) in the body of the Certification. The revision also makes it clear that, while the Certification must be filed with the Department prior to the sale date, the release of the Secured Lender’s interest in the loans being sold is not effective until the date that the Secured Lender receives funds from the sale of the loans.

Notice of Assignment and Designation of Payee: This new Payee Assignment form was suggested by the FFEL community as a way for Sellers of loans to the Department under the MLSA to ask the Department to send payment to the party that holds a secured interest in the loans (the Creditor). The form requires specific bank account information from the Creditor and requires authorizations from both the Seller and the Creditor.

Thank you for your continued support of these FFEL Loan Purchase Programs.

BILL OF SALE SUBMISSION INSTRUCTIONS
SEPTEMBER 9, 2008**

The procedures below explain how a lender that wishes to sell loans to the Department of Education (the Department) under the Master Loan Sale Agreement of the Department's Loan Purchase Commitment Program, executes the Bill of Sale (Exhibit B) and, if applicable the Security Release Certification (Exhibit E) and the Notice of Assignment and Designation of Payee form. Please refer to Electronic Announcements #5, dated July 11, 2008 for information and instructions for submitting the required Notice of Intent to Participate and Electronic Announcement #23, dated August 22, 2008, for information on executing the Master Loan Sale Agreement with the Department and for submission of the required 45-Day Notice of Intent to Sell Loans. Both Electronic Announcements, along with other important information related to the Loan Purchase Programs, are available at www.federalstudentaid.ed.gov/ffelp.

Bill of Sale (Exhibit B)

The Bill of Sale Package that must be submitted by the Seller to the Department's designee includes three required parts:

- The "Bill of Sale" provides the terms of the loan sale. There are two distinct forms of the Bill of Sale. For loans that will be sold to the Department out of a participation facility under the Loan Participation Purchase Program the form subtitled "[To Be Used For Loans With a Custodian](#)" must be used. The other form, subtitled "[To Be Used For Loans With No Custodian](#)", will be used for loans that will be sold directly by the FFEL lender/holder to the Department. Note that this second form of the Bill of Sale includes a certification by the selling lender as to whether there are any secured interests in the loans being offered for sale. If such secured interests exist, a Security Release Certification, as discussed below, must be submitted along with the Bill of Sale;
- The "[Final Loan Schedule Summary of Loans Sold](#)" summarizes the loans that will be sold to the Department and supports the Bill of Sale;
- The Loan Schedule, as referenced in the Bill of Sale, details each loan that the lender is selling to the Department and summarized in the Loan Schedule Summary of Loans Sold. By submitting the Schedule provided to the lender by the Department's designee (see below under "Submission Instructions") for a specific Bill of Sale, the lender (now the "Seller") has adopted that Schedule to identify the loans it is selling under that Bill of Sale.

BILL OF SALE SUBMISSION INSTRUCTIONS
PAGE 2

Security Release Certification (Exhibit E)

If any of the loans to be sold to the Department, pursuant to the Bill of Sale, are subject to any security interest, pledge or hypothecation for the benefit of any financing institution or other third party, a “[Security Release Certification](#)” must be submitted in the form of Exhibit E of the Master Loan Sale Agreement, executed by the Seller and such entity. Attached to that Certification must be a Schedule of Loans to which the Security Release will apply. That schedule may be a copy of the Loan Schedule submitted by the Seller with the Bill of Sale.

Notice of Assignment and Designation of Payee (Optional)

Where the Seller has indicated that a third party holds a security interest in the loans submitted for purchase, the Seller has the option of submitting a “[Notice of Assignment and Designation of Payee](#)”. Submission of this form informs the Department that the Seller has assigned to the party holding the security interest (the Creditor), the right to receive direct payment from the Department. When completing the Notice of Assignment and Designation of Payee, both the Seller and the Creditor are providing the specific bank account to which the Department will send the funds. Also note that “a true copy of the instrument of assignment” between the Seller and the Creditor must accompany the Notice of Assignment and Designation of Payee.

If the Seller chooses not to assign its right to receive loan purchase funds to the party holding a security interest in the loans, the Seller must promptly provide the Department with notification of its payment to that third party. Such notification must be specific as to date, amount, and form of such payment.

Single Transaction Document Flow

As noted below in the discussion on the “Security Release Certification”, security interests (liens) may have been placed on some loans that a lender will offer for sale to the Department under the Loan Purchase Commitment Program. To ensure that all of the required documents are in place for these loans and that there are no delays in the sale, Sellers must segregate each loan sale according to whether the loans have a security interest or not. And, if there are security interests, separate submissions are required for each secured lender.

Example: A lender wishes to sell 1,000 Eligible Loans to the Department with a Purchase Date of November 15, 2008. Seven hundred (700) of those loans have no security interests, two hundred (200) have a security interest with Secured Lender #1, and the remaining one hundred loans (100) have a security interest with Secured Lender #2.

Regardless of the Purchase Date that is included on the 45-Day Notice, each set of loans represented by that Notice, needs to have separate submissions of the additional MLSA documents that are further discussed below. For the first set of 700 loans that have no secured interests, only a properly executed Bill of Sale Package – the actual Bill of Sale, the Final Loan Schedule Summary of Loans Sold, and the Loan Schedule – must be submitted.

However, for each of the two sets of loans where there is a security interest, the lender would, in addition to the Bill of Sale Package, also need to provide a Security Release Certification from the Secured Lender, and, either a Notice of Assignment and Designation of Payee or the subsequent notification that the Secured Lender had received its funds.

BILL OF SALE SUBMISSION INSTRUCTIONS
PAGE 3

Note that the lender could choose to “stagger” the Purchase Date for each set of loans by submitting its three “45-Day Notices of Intent to Sell” with a different proposed Purchase Date. Or, the lender may submit the three separate “45-Day Notices of Intent to Sell” all with the same proposed Purchase Date of November 15.

Document Submission Procedures

As noted in Electronic Announcement #23, just prior to the Purchase Date (likely six business days), a pre-sale loan detail file, generated from the earlier conversion file submitted by the Seller, will be prepared by the Department’s servicer and forwarded to the Seller. The Seller will review the file and confirm the pre-sale totals. The Seller will use these totals and related reports to complete the Bill of Sale and associated Final Loan Schedule Summary of Loans Sold. As noted above, this Schedule can be used as the required attachments to the Bill of Sale and, if required, to the Security Release Certification.

Documents: Approximately, five business days prior to the expected Purchase Date, the Seller will submit to the Department the signed Bill of Sale and the Final Loan Schedule Summary of Loans Sold. In addition, if there is a security interest on the loans being sold, a Security Release Certification that has been signed by both the Seller and the Secured Lender must be submitted. Finally if the Seller so chooses, the Notice of Assignment and Designation of Payee (along with a copy of the instrument of assignment between the Seller and the Creditor) may be submitted. All of these documents are to be submitted as PDF attachments to an email sent to ED.servicer@ed.gov. The subject line of the email must say “Bill of Sale.”

Schedules: Submission instructions for the Loan Schedules that are required for both the Bill of Sale and the Security Clearance Certification will be provided in later announcements.
